ABOUT ME

I am a determined, detail-oriented, energetic, and successful graphic designer with a strong passion for my craft. I love all types of design and am always accepting new challenges to increase my skills. In my free time I enjoy being active by running (*11 marathons and counting*), taking hikes with my growing family, and simply being outside. I also enjoy drawing, playing guitar, and pursuing passion projects.

WORK EXPERIENCE

Senior Multimedia Designer / Marketing Assistant | 2016 - Present

OREPAC BUILDING PRODUCTS, CORPORATE

Graphic Designer, Photographer, and Marketing Assistant for the corporate branch of OrePac Building Products. Balanced needs of ten branches, created unified organization for product catalogs, increased sales of products through 360 photography, helped attain new partnerships with PowerPoint and motion graphics presentations, designed and facilitated swag orders.
